I R,

Adverting to para 2 of Government order No.4414/Ml. 14-16-16 dated 16th January 1917 regarding the reduction of the rate of octroi duty on betel leaves in the Molakalmuru Municipality from two pies to one pie per bundle of 100 leaves, I have the honor to state that the income of the said municipality from the source in question is about R$ 180 a year which will be reduced to R$ 90 a year there be a reduction in the rate.

2. The Board in their meeting held on 23rd March 1917 resolved that consequent on the proposed reduction of the octroi duty on betel leaves, a similar reduction might be made on the expenditure side also viz under grants to the Public Instruction (b) provincial fund (F 26) from R$ 190 to R$ 100 as the contribution paid by this municipality towards the said item was the heaviest in the District An extract from the proceedings of the said meeting of the Board is herewith sent

3. The Municipality is contributing at present towards the provincial fund of the Education Department a sum of R$ 190 annually. This expenditure is about 9 5% of the receipts of the municipality. Though this grant is small in itself yet it is a very large fraction of the municipal revenue and a very trifling fraction of the expenditure in the Education Department on this particular item.

I therefore request that the payment of the contribution by the municipality towards the Education Fund may be entirely waived and the reduction of the rate of octroi duty on betel leaves from two pies to one pie sanctioned with effect from the next official year.
